BLUE BOOKS A. Blue Book of Electric Guitars

The guitar industry's most comprehensive publication on electric guitar information and pricing has been dramatically improved! The new 12th Edition Blue Book of Electric Guitars is now over 1,150 pages, identifies over 1,200 guitar manufacturers, trademarks, luthiers, and features hundreds of new images. Written by Zachary R. Fjestaad and edited by S.P. Fjestaad, the fully revised 11th Edition Blue Book of Electric Guitars keeps the reader up-to-date on new and vintage pricing, technical information on electric instruments, and serialization on most major trademarks. This edition lists the current and discontinued electric companies, contains a thoroughly revised Trademark Index with contact information, and features hundreds of black and white photos depicting popular makes and models.
